For the second example, maybe you saw signs that there might be a problem, but you chose not to investigate for fear of starting a struggle or fear of what you might discover. Keep in mind that we are discussing our part in resentment, not only our part in what happened in column 2.’ there may be events in your life where you did not have part in the cause in column 2, but you still had part of the resentment. For example, I was bullied at the beginning of high school. I've never done anything to people who did this to me, but I still had a part in resentment. Every time you think about me What they did I'd be angry and I'd think about how one day I could go back against them instead of embracing forgiveness. Instead of facing my anger, I allowed him to turn into a deep resentment, so my part in resentment was anger. A phrase that helped me when in doubt is: "When I'm disturbed, regardless of the cause, there's something wrong with me." If I lost my serenity there's something wrong That I have to deal with, so I have to find my part in losing my serenity to get it back. Note "An exception CR represents in column 5 is for abusive relationships. If you were a victim of abuse, then put "or" is not guilty "in column 5 to avoid shame out of place or guilt. Column 5: the people I hurt to help prepare for future steps that will make amends, take now to list the people you hurt while it is cool in your mind. Example of inventory: Name cause effect my part My boss my boss told me that my work on a project had to be remade because it was not good enough for losing sleep because I was worried about myof work, Ambition Sloth ã ¢ âvelop "I waited until the last minute to start my assignment, my ex -ex hid the money they were spending I ended up declaring the failure because of everything I'm sorry. ♪ I smeti thguos yletarebiled − xe yM Â Â Â Â Â egnever sa tcejorp txen degatobas ylevitca −s ssob yM Â Â Â Â truh evah I elpoeP Â Â snoitseuq ksa ot diarfa oot tub suacipsus − raeF pihsnoitaler lanosrep ,ytiruces laicnaniF detalumuThe 1al First 144 and Fee Pakeh You Wok Puinet , nameme nameme is embloogate naubate namebate naksobate naubate yanks. .See him tuctufel tuofe Ale Maleos for Plail suban so so , Quano is the salmber tuber tubót mbert tabɔba tane.
